S: *Think step by step, but only keep minimum draft for each thinking step, with 5 words at most. Evaluate the truthfulness of the following text. To do this, you will assess three criteria:*
1. Source credibility (SC_val, 0-1)
2. Multiple confirmation (MC_val, 0-1)
3. Evidence support (ES_val, 0-1)
The final truth score should be a value between 0 and 1. Return the score in [0,1] at the end of the response after a separator ####.
